**27. FULL OR PART PREPAYMENT**

If the loan or any part thereof is subject to a fixed rate of interest and is repaid prior to due date either in part or in full, then the Lender reserves the right to charge an early repayment fee. Such a fee is calculated as follows, either:

(a) the cost to WBS as determined by its interest rate swap counterparty;

OR (where there is **no** interest rate swap counterparty)

(b) the amount prepaid multiplied by the difference between the 90 day bank bill rate on the date of prepayment and the rate applying to your loan on the same date, divided by 100 and then multiplied by the number of days the loan had to go before the fixed rate applying to it expired.

Should either of the above result in a charge of \$200 or less, no charge will be made.

The above formula is **not** the formula prescribed in the Credit Contracts and Consumer Finance Regulations 2004 or the Credit Contracts and Consumer Finance Amendment Regulations 2004.
