

WBS is open for business for all our existing and new customers

However, to meet NZ Government guidelines (Alert Level 1) we will have some restrictions in place to protect our community, customers and staff.

These restrictions mean that:

- Our doors will be open from 9.00am to 4.30pm, with controlled access.
- In branch we'll be applying measures to ensure we all maintain social distancing and contact tracing.
- To help us manage virus transmission risks we will continue to encourage customers to access cash via contactless/electronic means wherever possible.

Otherwise its business as usual meaning we're here to assist with all your lending and investment needs.

We're here to help and committed to our community which is why our dedicated staff will continue to make themselves available and do everything we can to assist you.
